

# THE PACIFIC SOCIOLOGIST

VOLUME 14  
NUMBER 1  
JAN 2006

PRELIMINARY PROGRAM: *77th Annual Meeting, Hollywood / Universal City, April 20 – 23, 2006*

THEME: *Playing with Sociology: Pedagogy, Postmodernism, and Popular Culture*

*an invitation from*  
PSA President Peter Nardi

DEAR COLLEAGUES:

*It's time for your Hollywood close-up!* From April 20–23, we will be exploring a variety of fascinating topics in the vibrant and exciting city of Los Angeles in the Hollywood Hills at the edge of Universal Studios.

Keeping with this year's theme, *Playing with Sociology: Pedagogy, Postmodernism and Pop Culture*, there will be many panels and presentations showing how sociology is at the heart of what we do in everyday life – from having fun to confronting the pressing social issues of contemporary postmodern society. We will explore new and provocative ways of teaching sociology, uncover the sociological insights beneath the glitzy surface of Hollywood pop culture, and seek solutions to the challenges facing the cities surrounding us and the people who live in them.

And we perform our academic roles, revive connections with friends, and make new connections with colleagues in an area awash with the glitter of Hollywood. Steps away is the famous Universal Studios tour and the neon-lit City Walk featuring dozens of restaurants and live entertainment, including Wolfgang Puck's Café, B.B. King's Blues Club, Jillian's Hi Life Bowling Lanes, and the Rumba Room Latin dance club. You can easily get on the Red Line Metro, Los Angeles' subway system, and explore the celebrity footprints at Grauman's Chinese Theater one stop away, eat in the restaurants of Thai Town, or reach downtown and hear the philharmonic at the Frank Gehry-designed Disney Concert Hall.

Join us for the 2006 Pacific Sociological Association annual meeting and see why it's the largest regional sociology association in the country!

— President Peter Nardi, Pitzer College

"It is a sign of the power of sociology that it is both popular and reviled. Longer established academic disciplines deride it as a gauche newcomer but adopt its perspectives. Ordinary people mock those who pursue it professionally, yet take some of its assumptions for granted. Governments accuse the discipline of undermining morality and social discipline yet hire sociologists to evaluate their policies."

## Sociological Perspectives Improves Ranking

The Institute for Scientific Information (ISI) annually compiles a listing of journals in the physical and biological sciences, medicine, technology, and social sciences, and ranks them according to the number of citations that each receives in other journals that year. As Rebecca Simon from UC Press states, "Librarians, researchers, and tenure committees use these ISI rankings, including what is called the 'impact factor' (how much a journal impacts a certain field), to determine a journal's benefit to and cache within the scholarly community."

While these rankings are only one method of providing insight into the value and importance of a journal, they do, as Simon points out, "relay a journal's overall discoverability, relative significance in the field, and timeliness of content – aspects that result from the hard work and foresight of its editorial office, a healthy society membership and reader base, and a diligent publisher able to utilize every means possible to enhance visibility in a digital environment."

Out of 89 sociological journals, *Sociological Perspectives* ranked 36th in 2004, up from 46th in 2003. The top four journals were *ASR*, *Annual Review of Sociology*, *AJS*, and *Social Problems*. The other regional association journals were ranked as follows: the Southern Sociological Association's *Social Forces* (11th), the Midwest Sociological Society's *Sociological Quarterly* (60th), and the Eastern Sociological Association's *Sociological Forum* (65th).

Hats off to Co-Editors Don Barrett and Richard Serpe, and to the many contributing authors, for a job well done.

DEAR COLLEAGUE,

This year's Annual Meeting once again will include a book exhibit specially organized and managed by the Library of Social Science. The book exhibit will bring together a comprehensive collection of recent and significant titles on sociology and related topics, contributing substantially to the intellectual value of our conference by allowing us to keep abreast of the latest developments in the field.

*We seek your input to assist in developing an exhibit that will include books on the full range of topics in sociology.*

If you are an AUTHOR and wish to have your book included in the display, or if you wish to recommend titles for inclusion, please respond by to [MEIHACHAN@CS.COM](mailto:MEIHACHAN@CS.COM) now or fax to 413.832.8145 providing the following information:

1. The title(s) of the book(s) and date(s) of publication.
2. The name(s) of the publisher(s).
3. *If you are an author:* The name, telephone number and e-mail address of your contact at each publisher.

Please be sure to include your own name, telephone number and e-mail address with the information that you send to us.

Please respond to this e-mail immediately so that we can begin work to assure that the book(s) you have authored or suggested are included in the display.

# Hotel Information for the Annual Meeting

**THE HOTEL & HOLLYWOOD AREA:** The 2006 Annual Meeting will take place at the Hilton Hotel Universal City. The hotel is situated on nearly seven acres, high on a hill overlooking Hollywood hills. Each guest room provides two line phones, data ports, high-speed Internet access, voicemail, coffee maker, iron, ironing board, hairdryer, minibar, safe, Cable TV, movies and room service. In addition, the hotel has an outdoor heated pool where you can enjoy views of the Hollywood hills. There is also a restaurant – Café Sierra – in the hotel.

**UNIVERSAL CITY WALK** is directly across from the hotel and features shopping and over 30 places to eat, including a food court, Wolfgang Puck, Hard Rock Café, Buca di Beppo and others. Entertainment includes B. B. King's Blues Club, Howl at the Moon, Rumba Room, theaters, the glitter of a neon-lit postmodern faux-village, and of course Universal Studios.

The Hilton is also located on the Metro Red Line subway. The nearest subway stop, which is about a two block walk down the hill from the hotel, is University City. There is complimentary tram service from the hotel to the subway stop. The Red Line can take you to many places in the greater LA area with transfers to the Blue, Gold, and Green lines, including Union Station, Long Beach, Wilshire, Pershing Square, and Civic Center. The first stop from University City (about a five minute ride) is Hollywood and Highland, where you will find Grauman's Chinese Theater, Kodak Theater, Hollywood Blvd, many fine shops, and over 25 places to eat, from eateries to fine dining. The second stop on the Red Line is the famous Hollywood and Vine. A day pass on the Metro is \$3.00, without the pass each ride is \$1.25.

Support the PSA by Booking at the Hilton. This will assure that your Association meets its sleeping room contract and will keep convention costs low, since thousands of dollars in meeting room rental will not have to be paid to the Hilton. Not meeting the room block would have serious financial consequences and would most likely increase the cost of registration at future meetings.

The PSA convention rate is \$129 single or double, plus tax. The standard rate is \$295. To make a reservation, call 800.445.8667 or the hotel directly at 818.506.2500. Please ask for the PSA convention rate. Or reserve on line at [www.losangelesuniversalcity.hilton.com](http://www.losangelesuniversalcity.hilton.com) by entering the group code – PSA – in the box for “group/convention code.” ALL RESERVATIONS MUST BE MADE BY MARCH 18 to guarantee the PSA rate. The hotel may still have rooms after this date, but at a higher rate.

**HOTEL PARKING** is available at \$10 for hotel guests and \$7 for others, with an approval stamp from PSA registration. Sorry, no “in-and-outs” for the discount rate.

**AIRPORT TRANSPORTATION:** The closest airport to the Hilton is Burbank Airport, about 5 miles from the hotel. LAX is 20 miles from Universal City. Shuttle buses at Burbank and Los Angeles airports will take you to the Hilton. The approximate cost from Burbank is \$9 one-way and from LAX, around \$16. It is also possible to take the LAX free shuttle to the Metro Green Line (Aviation / LAX stop) and then transfer at Imperial/Wilmington to the Blue Line going north and then at 7th and Metro transfer to the Red Line going to North Hollywood. The Hilton stop is University City. You would then walk up the hill for two blocks to the Hilton or wait for the tram to carry you up. The tram stop is across the street from the Metro station at the bottom of the hill.

## CALL FOR SESSIONS: 78th Annual Meeting March 28 – April 1 2007, Oakland CA

DEAR COLLEAGUES:

Though sociologists study a wide range of institutions, our discipline is much less likely to study itself and even less likely to study its position in the workplace. While the workplace for sociologists can be increasingly found outside of the academy, the academic environment is still the predominant workplace for the vast proportion of sociologists. Unfortunately, we know very little about how academic decisions that affect our discipline are made. The theme of this conference is *Sociology in the Academy: Its Current and Prospective Position*. Many questions come to mind – for example, how is Sociology viewed by colleagues from other disciplines and by administrators, on dimensions such as centrality to the mission of the academy, attentiveness to students' needs, academic rigor, acquisition of grants and contracts, publication productivity, involvement in governance, involvement in international activities, and involvement in the local communities? Are Sociology programs increasing or decreasing, relative to other disciplines? Is Sociology more or less likely, than sister disciplines, to spin off new disciplines? What is the likelihood of sociologists occupying administrative positions in the academy? What are the pathways for sociologists to move into administrative positions? What are Sociology's major strengths and weaknesses? How can its strengths be maintained or increased and its weaknesses reduced or eliminated? How do sociology departments promote themselves or, conversely, how to they inflict damage upon themselves?

I encourage you to submit proposals for sessions that deal with the above questions as well as other areas of sociological inquiry. Feel free to contact me at [CHOHM@CSUDH.EDU](mailto:CHOHM@CSUDH.EDU) or Karen Sternheimer, Program Chair, at [STERNHEI@USC.EDU](mailto:STERNHEI@USC.EDU).

I look forward to seeing you in Oakland.

— Charles F. Hohm, 2007 President-Elect

## The Increasing Cost for the Annual PSA Meeting: *Please pay the appropriate dues & registration fees*

Holding our annual meeting is becoming increasingly expensive. The PSA does not make income from registration fees. Registration fees are necessary to cover the cost of the annual meeting. AV rental, food costs, and meeting room rental are all going up in price. An overhead projector package rents for over \$100 per day with service charges; a VCR and monitor for over \$250 per day, and a projector for a Powerpoint presentation over \$300 per day. These rental costs are per day, whether the equipment is used for one hour or 10 hours.

The PSA attempts to reduce costs where possible by asking in advance for AV equipment that presenters need. If presenter x informs the PSA in advance of the conference that a VCR and monitor will be

needed, the program chair will slot that presenter into a room where there will be a VCR and Monitor. However, if presenter x arrives at the annual meeting without informing the PSA office of the need for a VCR and monitor, it may well be that one will have to be rented on the spot, with an additional cost of over \$250 to the PSA. We also save money by having student volunteers at the registration table, thereby saving the cost of hiring staff from the local convention and visitor's bureau and by asking members to bring portable LCD projectors with them. We are a very efficient association, which is why membership dues have not gone up since 1981!

*Please keep the above in mind and pay your appropriate membership dues and registration fees. It is very painful to find after the conference that some in attendance did not pay the cost of supporting the annual meeting.*

## *Volunteers needed to help staff registration table!*

If you are a graduate or undergraduate student, please consider volunteering to help staff the PSA registration table during the annual meeting in Hollywood. The registration table will open on Thursday, April 20 from 10 am to 7 pm. It is will also be open from 8 am to 5 pm

on Friday April 21 and Saturday April 22. In return for a few hours of volunteer time, PSA will waive the 2006 membership dues registration fees for the meeting. If you are interested, please contact Dean Dorn at the Association Office at PSA@CSUS.EDU.

# Suggestions for Giving a First-Rate Presentation

NOTE: *by Barbara Keating, Minnesota State University-Mankato and reprinted from the Newsletter of the Midwest Sociological Association. Slightly edited for the psa. We continue to reprint this piece because it offers excellent advice for everyone on the program.*

If you were a discussant, how would you like to get the papers for review the night before the session? As an audience member, how do you like it when presenters read their papers word for word while droning on and on through fifty years of literature review?

I make the following suggestions to new and experienced presenters.

1. Get your completed paper to the discussant at least a month before the meetings. A good review can be tremendously helpful for revising the paper for publication. But it takes time and thought. Every year, however, some discussants do not get papers until they arrive at the meetings. The discussants are doing you a favor. Help them to help you by giving them the time they need.
2. After you have finished the formal written version of your paper, edit it for a presentation version. Remember, you will normally have only 12-15 minutes to give your paper if there are four other presenters. Discuss only what is important. For a traditional research paper, for example, focus on the findings. Introduce the topic succinctly, summarize the literature briefly, mention the methods in passing and spend most of your time discussing the findings and their implications.
3. Do not read your paper to the audience. Talk about it. The well-crafted written formal sentence may be a better visual than audio experience. Remember, you audience is listening, not reading.
4. Arrive at your session ten minutes early. The presider will brief you on organization, order, and time limits.
5. Adhere to time limits. Four to five paper presentations, discussant comments, and audience participation do not allow much flexibility in one session. presiders may enforce appropriate social sanctions on presenters who monopolize time.
6. If you bring copies of your paper for distribution, you may reduce the weight by printing single space on both sides of each page. Many presenters must bring copies of the statistical tables or model figures, perhaps with an abstract.

## *Endowment Committee Announces Student Travel Grant Awards for the Annual Meeting*

With the approval of Council, the Endowment Committee will once again offer twenty-five \$100 travel grants available to help pay expenses for graduate and undergraduate students who are giving a presentation at next year's annual meeting in Hollywood.

The travel grant awards will be open only to undergraduate and graduate students who are not employed full-time in an academic or non-academic institution. Students who are eligible must also be listed as a presenter or co-presenter in a conference session in the Preliminary Program for Hollywood. The Preliminary Program will be published in the January 2006 Newsletter. Eligible students must also be members in 2006 and must have paid pre-registration fees for the conference. Membership on a committee does not qualify.

### *Procedures for Application for a Travel Grant*

Students who meet the eligibility requirements above, need to send via email their name and email address to the Co-Chairs of the Endowment Committee: Carol Ward, BYU (CAROL\_WARD@BYU.EDU) and Sandra Way, New Mexico State (SWAY@NMSU.EDU). The deadline for submission is February 29, 2006. A random numbers table will be used to assign a number to all eligible applicants. A random drawing will determine the 25 recipients of the travel awards. Recipients will receive an email confirming they have won an award no later than March 21, 2006. All recipients must pick up their travel grant at the PSA Registration Table. ID will be required.
