## PRELIMINARY PROGRAM: THE 74<sup>TH</sup> ANNUAL PACIFIC SOCIOLOGICAL ASSOCIATION MEETING PASADENA, CALIFORNIA, APRIL 3-6, 2003 THEME: SOCIAL SCIENCE AND SOCIAL POLICY

Dear PSA Colleagues:

Make plans to attend the 74<sup>th</sup> annual meeting of the Pacific Sociological Association, April 3-6, 2003 at the Sheraton Hotel in Pasadena.

President Jean Stockard, University of Oregon and Program Chair, Marilyn Whalen, Palo Alto Research Center, have put together a rich program of over 200 sessions, including roundtables. Many sessions will be devoted to the theme of the meeting: Social Science and Social Policy. There will also be discussion roundtables, regular paper sessions, panel sessions, film sessions, and author meets critic sessions.

Sessions begin on Thursday April 3<sup>rd</sup> at noon and end on Sunday early afternoon. There are too many highlights to list in this brief letter of invitation, but a few of them are the three Presidential Sessions that deal with the Middle East, linking social science to social policy, and the issue of secession in the San Fernando Valley. In addition, the American Sociological Association's Sorokin Lecture, *Legacies: The Story of the Immigrant Second Generation In Early Adulthood*, will be presented by Ruben Rumbaut from UC Irvine (see details in this newsletter). And there will also be a special evening session on Friday April 4<sup>th</sup> on civil liberties and Iraq.

Be sure to attend the Welcome Reception on Thursday night with glorious desserts and live music provided by the Wood Trio. The Membership Committee and the PSA Endowment Committee, as a fund-raiser for the Endowment, will sponsor this reception. And to cap it off, plan to attend the Presidential Reception late Friday afternoon following the Presidential address on Social Science and Social Policy by Jean Stockard, Univ of Oregon. And for those who are from out of town, the PSA Endowment Committee is sponsoring a walking tour of downtown Los Angeles lead by Robert Herman from Pomona College (see details in this newsletter).

**If you are staying overnight, please book your reservations at the Sheraton before February 17<sup>th</sup>. After that date, rates will be higher!** Phone: 626-449-4000 or 1-800-325-3535

We look forward to seeing you in Pasadena!

# PRELIMINARY PROGRAM: PASADENA APRIL 3-6, 2003

## IMPORTANT NOTICE—REGISTRATION AND MEMBERSHIP DUES FOR THOSE LISTED IN THE PRELIMINARY PROGRAM

### Payment of Registration Fees and Membership Dues

Several points about meeting preregistration, program participation, and membership are discussed below. These items need your attention.

#### 1. Preregistration and Membership Dues

**All program participants must preregister for the Annual Meeting before MARCH 21, 2003 in order to have their names listed in the final program, unless they are exempted by one of the rules listed below.** A registration form is included in this newsletter. If you have not already paid preregistration fees, please return the form with your payment. If you were a member in 2001 or 2002, you should already have received a renewal notice for 2003 dues and a preregistration form for the Annual Meeting in Pasadena.

There are several clarifications to the requirements for payment of registration fees, preregistration fees and/or membership dues.

#### Payment of Preregistration Fees for Those Listed in the Program for Pasadena

- If you are listed in the Program for the annual meeting in Pasadena and you will be attending the meeting, you must pay preregistration fees.
- If you are a co-author of a paper or presentation and you will NOT be attending the meeting in Pasadena, you do not have to pay preregistration fees. However, the person or persons responsible for presenting the paper or presentation you co-authored must pay preregistration fees.
- If you are a co-author of a paper or presentation and you will be attending the meeting in Pasadena, you must pay preregistration fees.

#### Payment of 2003 Membership Dues for Those Listed in the Program for Pasadena

- If you are a sociologist from the western region (AZ, CA, NM, UT, NV, CO, HI, MT, OR, AK, ID, ALBERTA, BRITISH COLUMBIA, BAJA CA, SONORA, or CHIHUAHUA) listed in the program and attending the meeting in Pasadena, you must pay both 2003 membership dues and 2003 preregistration fees.
- If you are a sociologist listed in the program for Pasadena and attending the conference, but you are NOT from the western region (see above), you MUST pay preregistration fees, but you do not have to pay 2003 membership dues.
- If you are listed in the program and attending the meeting in Pasadena, but you are NOT a sociologist, you must pay 2003 preregistration fees, but you do NOT have to pay 2003 membership dues.

#### Payment Of Preregistration Fees, Registration Fees, and/or Membership Dues for Those Who Are Not Listed in the Program for Pasadena but Who Are Planning on Attending the Conference.

- If you are attending the annual meeting in Pasadena and are not listed in the program, you must pay either preregistration fees (which are cheaper) or registration fees at the door (which are more expensive). Everyone attending the annual meeting is expected to pay either registration or preregistration fees.

\* If you are attending the annual meeting and are not listed in the program for Pasadena, you do not have to pay 2003 membership dues. However, you are strongly encouraged to renew your membership or to become a new member of the Association.

#### 2. Program Participation

Being on the program means being listed in any position—presider, moderator, panelist, critic, roundtable presenter, roundtable presider/discussant, seminar leader/presenter, discussant, session organizer, presenter, workshop leader, speaker, etc. In short, any place your name appears is counted as a participation.

#### 3. Attendance at the Meeting

If you are attending the meeting but are not on the program, you are expected to pay either preregistration fees or registration fees at the door. Preregistration fees are \$35 US dollars; \$50 Canadian dollars for faculty and/or over \$15,000 income per year and \$17.50 US dollars; \$25 Canadian for students and/or under \$15,000 income per year. Registration fees at the door will be \$45 US dollars; \$60 Canadian dollars for faculty and/or over \$15,000 income per year and \$25 US dollars; \$35 Canadian dollars for students and/or under \$15,000 annual income. Please see the Membership and Registration Form in this newsletter.

If you have questions about your status and these required dues and fees and/or you would like information about how to pay them, please contact the Secretary/Treasurer's Office at 916-278-5254; fax: 916-278-6281; or e-mail: psa@csus.edu

## CONSIDER A DONATION TO THE PSA ENDOWMENT FUND

When renewing your dues for 2003, please consider making a donation to the PSA Endowment Fund. **Space is provided for this on the dues renewal notice.**

***Donations and Bequests to the PSA Endowment Fund will be used for a variety of purposes, pending approval by a majority vote of the PSA Council. These purposes could include, for example, PSA operating expenses, maintenance and improvement of its publications, one-time Association special projects, scholarships for students, Visiting Scholars to the Association's annual meetings, monetary gifts to the Association's annual award winners, dissertation research awards, minority scholarships, and any other activities approved by the PSA Council which enhance the Association, its membership, and the profession in the Western Region.***

No money can be expended from the Fund until it reaches at least \$50,000; that is, all money would be reinvested into the capital of the Fund until it reaches that amount. It is anticipated that the fund will exceed \$50,000 by January 1, 2003. Consequently, the first use of interest funds will occur during the 2004 Annual Meeting in San Francisco.

**The Fund is overseen by a six member ad hoc committee of the PSA, The PSA Endowment Committee, appointed by the Committee on Committees with the approve of PSA Council.**

## CONSIDER A TOUR TO DOWNTOWN LOS ANGELES WHILE ATTENDING THE PSA MEETING IN PASADENA AND BENEFIT THE PSA ENDOWMENT FUND

Robert Herman, Pomona College, sociologist and author of *Downtown Los Angeles, A Walking Guide*, will conduct a tour of Los Angeles during the PSA conference in Pasadena. The tour will mix architecture, street scenes, and glances at urban planning issues. The tour will explore several districts of downtown Los Angeles. It will start at Union Station, then move via the Red Line subway to 7<sup>th</sup> and Figueroa, once a high-end shopping area, but now strictly business/finance. From there the tour will walk to the beautiful and recently expanded Central Library, then to the Biltmore Hotel, the problematical Pershing Square, the now-Latinized "History Core" (Broadway, Bradbury Building, Grand Central Market, **where the tour will stop for lunch**), and to the "Old Bank District" (being successfully converted to loft apartments). Then up Bunker Hill to high-rise office towers, past museums, to the Walt Disney Concert Hall, the Music Center, and into the astonishing new Cathedral of Our Lady of Angles. Then down the hill past the refurbished City Hall, the El Pueblo Historic Plaza, and back to Union Station. Something old; something new. Many urban planning issues, ethnic and economic complexities, people watching, wonderful architecture and public art. And 2.5 miles of refreshing exercise!

All proceeds will go to the PSA Endowment Fund. Transportation will be by City Bus, boarding near the Sheraton Hotel in Pasadena **Cost is \$15.00.** Lunch and bus fare are not included. .Tours will run approximately from 10:30 AM-2:30 PM on Friday April 4<sup>th</sup> and Saturday April 5<sup>th</sup>. Space is limited!

**If you are interested contact Dean Dorn at the PSA Office, [psa@csus.edu](mailto:psa@csus.edu) for more details.**

**RUBÉN RUMBAUT TO GIVE THE AMERICAN SOCIOLOGICAL ASSOCIATION'S  
SOROKIN LECTURE AT THE PSA ANNUAL MEETING IN PASADENA:  
LEGACIES: THE STORY OF THE IMMIGRANT SECOND GENERATION IN EARLY ADULTHOOD**

*Legacies: The Story of the Immigrant Second Generation*, the winner of the 2002 Distinguished Scholarly Publication Award of the American Sociological Association and the 2002 William I. Thomas and Florian Znaniecki Award of the ASA's International Migration Section for best book in the immigration field, reports the results of the largest research study of its kind, the Children of Immigrants Longitudinal Study (CILS), examining the 1992-96 trajectories from junior high through the end of high school of a sample of over 5,000 young people representing 77 different nationalities in Southern California and South Florida. In 2001-02, the CILS project returned to the field to reinterview the entire baseline sample, who were now in their mid twenties, wherever they were then residing. The 2003 Sorokin lecture will update the story told in *Legacies* with the latest results from this decade-long panel study, illuminating their social and economic trajectories in early adulthood and reflecting on the implications of the study for theory and policy.

Rumbaut is the Co-Director of the Center for Research on Immigration, Population, and Public Policy and a professor of sociology at the University of California Irvine. His talk will be given on Saturday April 5<sup>th</sup> at 3:30 pm.

Detailed information about *Legacies: The Story of the Immigrant Second Generation*, and its companion volume, *Ethnicities: Children of Immigrants in America*, including links to sample chapters and descriptions of each book, are available via these websites: <http://www.ucpress.edu/books/pages/9357.html> <http://www.ucpress.edu/books/pages/9462.html>

## ANNOUNCEMENTS FROM THE PSA

**INITIAL CALL FOR SESSIONS  
75TH ANNUAL MEETING, APRIL 15-18, 2004  
SAN FRANCISCO, CALIFORNIA  
THEME: SOCIOLOGY, AN IDEA  
WHOSE TIME HAS COME**

The difficulties and dangers facing the world today are legion, as are the opportunities for realizing a world that truly works. We are awash with both problems and possibilities. The question is: how can we achieve the positives while avoiding the negatives? Where should we look to answers to this question? All too often, we look to technology for the answers, and we are usually disappointed.

Consider the problem of overpopulation and the possibility for an enjoyable standard of living if only we could settle into a sustainable population size. Early on, biology told us how babies were created and, implicitly, how to avoid them. However, we weren't inclined to "just say no." At some point, people said, "If only there were a way to have sex without having babies, then we could harness population growth." We turned to the rubber industry for a solution, and they found one—except the problem persisted. Then people said, "If there were just a pill you could take, that would do it." So we turned to the chemical industry, and they found a solution—except the problem persisted.

The solution to overpopulation doesn't lie in the biological, rubber, or chemical industries, though they can help out. The reasons people have so many children lie within the realms addressed by sociology: beliefs, values, norms, social control, culture, and the like.

Problems such as poverty, warfare, crime, pollution, and prejudice will only find lasting solutions through the dedicated and supported efforts of sociologists. The possibilities for improving the human condition, through an enlightened use of technology, for example, will depend equally on the work of sociologists.

When public and political attention has taken note of the social and behavioral sciences, that attention has been largely showered upon economics and psychology. Bad choices. Economics is a subfield of sociology, which deals with only a portion of social life and is commonly based on the assumption of rationality in human behavior. Psychology, on the other hand, focuses on a unit of analysis that is inappropriate to dealing with the major social problems facing the world today.

The 75th PSA convention, in San Francisco, will be living proof of the vital importance of sociology at this time in history. It is truly an idea whose time has come—and it's about time. The sessions will feature examples of where sociological inquiry has already made a difference and will work on developing agenda for the future of the discipline.

We invite sociological researchers, educators, and practitioners from all perspectives to join in our analysis of sociology making a difference in the world during the 75th

Annual Meeting of the Pacific Sociological Association. The 2004 PSA meeting in San Francisco promises exciting and vibrant exchanges of ideas in a broad spectrum of interactive formats: roundtables, debates, panel discussions, paper presentations, and workshops. Come share your ideas and innovations in social theory, methods, teaching, and practice. As always, papers and presentations unrelated to the meeting theme are encouraged and will make up a large part of the program. We also invite ideas for ways to observe the 75th anniversary of PSA.

Nominate yourself or suggest that your colleagues organize a session. Send your nominations and suggestions for sessions by May 1, 2002, to the Program Chair: Virginia Mulle, Social Sciences Department, University of Alaska Southeast, 11120 Glacier Hwy, Juneau, Alaska 99801-8671, tel: (907) 465-6419, fax: (907) 465-6406, email: ginny.mulle@uas.alaska.edu.

## VOLUNTEER TO SERVE ON A PSA COMMITTEE

PSA Committees are vital to the proper functioning of the Association. Each year there are vacancies on the various committees that must be filled. Each year the Committee on Committees is looking for interested and committed members who can be recommended to the President and the Council for possible appointment.

Committee Membership must represent the Southern, Central, and Northern sections of the PSA western region. Usually there is one opening for each region on each appointed committee. Those responsible for committee appointments are always glad to know of willing volunteers. Student members are now eligible to serve on all appointed committees with the exception of the Awards Committee.

The PSA has 15 committees that members can volunteer to serve on: endowment committee, membership, audit, contract monitoring, awards, status of women, status of ethnic minorities, status of gays, lesbians, and bisexuals, teaching, freedom of research and teaching, civil liberties and civil rights, social conscience/action, student affairs, and sociological practice. Members are appointed by the PSA Council and the President based on recommendation from the Committee on Committees. Self nominations are acceptable. Serving on a PSA Committee is an effective way to network with professional colleagues. **If you are interested, please indicate below. Even if you have volunteered before and not been selected, please fill out and clip the form below.**

To serve on a PSA Committee, you must be a member of the PSA in good standing. **Committee appointments are normally made in December.**

**THE INCREASING COST FOR THE ANNUAL PSA MEETING:  
PLEASE PAY YOUR APPROPRIATE MEMBERSHIP DUES  
AND REGISTRATION FEES**

Holding our annual meeting is becoming increasingly expensive. The PSA does not make income from registration fees. Registration fees are necessary to cover the cost of the annual meeting. For example, total expenses for the last four PSA conferences (1999, 2000, 2001, and 2002) were \$95,134, while registration fees produced a total income of \$95,928. AV rental, food costs, and meeting room rental are all going up in price. An overhead projector rents for over \$100 per day; a VCR and Monitor for over \$250 per day, and a projector for a power point presentation over \$500 per day. These rental costs are per day, whether the equipment is used for one hour or 10 hours.

The PSA attempts to reduce costs where possible by asking in advance for AV equipment that presenters need. If presenter X informs the PSA in advance of the conference that a VCR and Monitor will be needed, the program chair will slot that presenter into a room where there will be a VCR and Monitor. However, if presenter X arrives at the annual meeting without informing the PSA office of the need for a VCR and Monitor, it may well be that one will have to be rented on the spot, with an additional cost of over \$250 to the PSA. We also save money by having student volunteers at the registration table, thereby saving the cost of hiring staff from the local convention and visitor's bureau.

*Please keep the above in mind and pay your appropriate membership dues and registration fees. It is very painful to find after the conference that some in attendance did not pay the cost of supporting the annual meeting.*
