

# THE PACIFIC SOCIOLOGIST

VOLUME 13  
NUMBER 1  
JANUARY  
2005

PSA preliminary program: Portland, Oregon • April 7 - 10, 2005

THEME: *Public Sociology – What is our purpose? What are our priorities?*

*an invitation from*  
PSA President Pepper Schwartz

DEAR COLLEAGUES:

I'd like to welcome and invite all of you to the PSA meeting in Portland this April. The PSA is a vibrant organization – a great place for colleagues to have stimulating dialogue with each other and learn about each other's research, as well as a remarkably unique regional meeting for students where a major goal of the organization is to help students get professional socialization, intellectual exposure and practice, and, no small benefit, the chance to create useful and stimulating social networks.

For all of us, new or "seasoned" sociologists, there are a number of really excellent panels and roundtables (over 200 of them) to attend, not to mention Portland itself, one of the best little European cities in America. Portland has become such a great food and shopping city in the past few years, I hardly recognize it. If you have never been to this city, you are going to be surprised at how beautiful and sophisticated it has become. (Not that we pointy-headed intellectuals might actually be seduced by fabulous seafood and gorgeous boutiques, still ...)

I would personally like to invite you to attend some of the Presidential sessions. They will be interdisciplinary, provocative and in English. A special session has been organized for Stephanie Coontz on her brilliant new book, *The History of Love and Marriage*, and there is also a session on Public Intellectuals, in this case on work that has affected the public. The panel includes Jeff Goodwin, the new editor of *Contexts* (our profession's entry into providing accessible research articles so that we can have more public discourse on our research), Barry Glassner, Janet Lever, and Stephanie Coontz – all of whom have written books that cross the academic boundary line and have influenced public debate on issues that include the importance of sport in Brazilian society, media and governmental creation of moral and personal panics, and the over romanticization of the history of the family and marriage in America. Finally, there will be a presidential panel organized by Barbara Risman on the very public controversy over the work of John Money (what should be our policy on operations that change ambiguous or anomalous genitalia) should be a must-attend!

Naturally, I'd love it if a few of you would also come to the Presidential Address where I hope to create some dialogue on the uses and abuses of sociological data in search of political and public relevance...

Do come and enjoy your colleagues, the city, and the meetings of the PSA!

— Pepper Schwartz, University of Washington  
President of the Pacific Sociological Association

FRIDAY APRIL 8 • 10:15 - 11:45 AM

**Please start planning your A/V needs as soon as possible.** You will need to make your session organizer well aware of what you will need (i.e., slide or LCD projector, monitor and vcr, etc.) far in advance of the meeting itself. and to session organizers – failure to make the PSA office aware of participants' needs forces us to rent LCD projectors and other equipment at the meeting, and the cost often runs into the many hundreds of dollars – per rental!

*Please be responsible for your own needs, and not for a hike in next years' meeting registration fees!*

67) VIDEO SESSION: SOCIAL ISSUES IN OREGON: EDUCATION  
Organizer: Dean S. Dorn, CSU Sacramento  
Presenter: Eric Cain, Director, Producer, Writer, Oregon  
Public Television: *The Oregon Story: Three Days at Crane*.  
“Situated in the high desert of southeastern Oregon,  
Crane Union High serves some of the most remote  
homes and ranches in the state. Crane serves a district  
of some 7500 square miles and draws its student body  
from as far as 150 miles away, yet has fewer than one  
hundred students in an average year. This is one of the  
oldest residential public schools in the US, and its student  
body, like the school itself, is unique. For three long days,  
our camera crews recorded student life at and around the  
school and supplied small video cameras to the students  
to shoot additional footage of their own. The result is this  
snapshot of a small and fascinating community.”

# Problems Regarding Your Rights & Academic Freedoms? Contact COFRAT!

The Pacific Sociological Association's Committee on Freedom of Teaching and Research is seeking information on problems sociologists may be having in protecting their rights to academic freedom of inquiry and expression. To do that job the committee needs your input. If you are aware of the following instances, or of related problems of concern to COFRAT, the committee wants to hear from you.

- A. In the present times of scarce funding for research, the power of granting agencies to dictate methods of inquiry as well as topics of study increases, as does that of university research oversight committees, human subjects panels and the like. Have you had any recent experiences with granting agencies, oversight committees, etc. that significantly affected your research or teaching?
- B. There may also be pressures on some institutions and departments to adjust their curricula to accommodate the needs of particular corporate interests. Individual scholars who do not conform to these trends may find themselves at a disadvantage when their teaching and scholarship are evaluated for promotion and tenure. Do such pressures exist at your institution?
- C. We are also interested in related issues that pertain to hiring and rehiring of temporary or part-time faculty. Are part-time faculty – those, for example, who adhere to more critical teaching perspectives – more at risk of employment termination? How does the current political climate in your region shape who gets hired and re-hired? What are the institutional responses to a faculty member (tenured or not) should they be challenged (by students or others) because of their pedagogical or epistemological approaches? What sorts of difficulties are you, as PSA members, having in these areas?

Send us a description of the problem outlining the parties involved, the subject of dispute, a specific date when the dispute occurred, the direct effects on teaching or research and the efforts made to resolve the issue, by the department and/or institution. All responses will be treated as confidential. Please indicate if you are requesting official consideration by the committee. Send material to:

**NOTICE REGARDING REGISTRATION & MEMBERSHIP DUES FOR THOSE LISTED IN THE PRELIMINARY PROGRAM**

*Several points about meeting pre-registration, program participation & membership are discussed below. These items need your attention.*

**1. PRE-REGISTRATION AND MEMBERSHIP DUES:**

All program participants must pre-register for the Annual Meeting before MARCH 21, 2005 in order for their names to be listed in the final program. A membership and registration form is included in the January newsletter. One is also available on the PSA web site ([www.csus.edu/psa](http://www.csus.edu/psa)). If you have not already paid, please return the form with your payment. If you were a member in 2003 or 2004, you should already have received a renewal for 2005 dues and a preregistration form for the Annual Meeting.

There are four clarifications to the pre-registration fee and membership dues requirements for those who are listed on the program in Vancouver:

- In cases of multiply-authored papers, co-authors who are NOT attending the meeting do not have to pay pre-registration fees or membership dues. However, the person responsible for presenting the paper in April must pre-register and must also pay membership dues. In other words, at least one co-author must pre-register and pay membership dues or the entire paper and all co-authors will be dropped from the program.
- If you are a sociologist from the western region (AZ, CA, NM, UT, NV, CO, HI, MT, OR, AK, ID, Alberta, British Columbia, Baja California, Sonora or Chihuahua) you must pay both 2005 dues and pre-registration fees.
- If you are a sociologist but NOT from the western region, you MUST pay pre-registration fees, but you do not have to pay 2004 membership dues. However, we encourage you to become a member.
- If you are NOT a sociologist, you must pay 2005 preregistration fees, but you do NOT have to pay 2005 membership dues.

**2. PROGRAM PARTICIPATION:** Being on the program means being listed in any position – presider, moderator, panelist, critic, roundtable presenter, roundtable presider/discussant, seminar leader/presenter, discussant, session organizer, presenter, workshop leader, speaker, etc. In short, any place your name appears is counted as a participation.

**3. ATTENDANCE AT THE MEETING:** If you are attending the meeting but are not on the program, you are expected to pay either pre-registration fees or registration fees at the door. Pre-registration fees are US\$35; CDN\$50 for faculty and/or over \$15,000 income per year and US\$17.50; CDN\$25 for students and/or under \$15,000 income per year. Registration fees at the door will be US\$45; CDN\$60 for faculty and/or over \$15,000 income per year and US\$25; CDN\$35 for students and/or under \$15,000 annual income. Please see the Membership and Registration Form in this newsletter.

If you have questions about your status and these required dues and fees and/or you would like information about how to pay them, please contact the Secretary/Treasurer's Office at 916.278.5254; FAX 916.278.6281; or via e-mail at [PSA@CSUS.EDU](mailto:PSA@CSUS.EDU).

**4.** You can print a membership and registration form from the PSA web site at [www.csus.edu/psa](http://www.csus.edu/psa).

## *Call for Sessions: 77th Annual Meeting* April 20-23 2006, Hollywood CA

Dear PSA Colleagues:

What better place is there for sociologists to convene than Hollywood, the center of popular culture and postmodernism! To me, sociology is about everyday life and how we play at reality in all its diverse forms. This is why the theme for the 2006 meetings is *Playing with Sociology: Pedagogy, Postmodernism and Pop Culture*.

Join us in making these meetings a playful event with scholarly papers, insightful pedagogy, and groundbreaking research on today's postmodern society. Invite your students, propose innovative sessions, and have fun renewing friendships and making new ones at the annual PSA meeting in Los Angeles.

If you have ideas, proposals for sessions, and suggestions for making the 2006 meeting something special, contact me at [peter\\_nardi@pitzer.edu](mailto:peter_nardi@pitzer.edu) or Sally Raskoff, Program Chair, at [raskofsa@lavc.edu](mailto:raskofsa@lavc.edu). We look forward to seeing you at your Hollywood debut!

PETER NARDI, 2006 President-Elect  Pitzer College

# Hotel Information for the 76th Annual PSA Meeting

**THE MARRIOTT HOTEL AND PORTLAND:** The 2005 PSA Annual Meeting will take place at the Portland Marriott Downtown on the river at 1401 SW Naito Parkway, Portland, OR 97201. The hotel is located in the heart of downtown Portland, on the west bank of the Willamette River. It has 503 guest rooms, Allie's American Grille, Champion's Sports Bar, the Lobby Bar and a coffee bar for continental breakfast. PLEASE NOTE: there is another Marriott Hotel in Portland – the Marriott City Center. The PSA meeting is *not* being held at that hotel.

The downtown cultural district, including the Portland Art Museum, Performing Arts Center, Historical Society are within easy walking distance from the Hotel. Pioneer Square and Shopping Place are seven short blocks away. You can board the Max Light Rail six blocks away or take a walk along the beautiful McCall Waterfront Park. The Portland airport is 15-20 minutes away.

Support the PSA by booking at the Marriott. This will assure that your Association meets its sleeping room contract and will keep convention costs low, since thousands of dollars in meeting room rental will not have to be paid to the Marriott. Not meeting the PSA room block would have serious financial consequences and would most likely increase the registration costs at future meetings.

*please note* { The PSA 2005 Convention Rate is \$119 single and \$129 double, plus tax. To make a reservation, call 800.228.9290 or the hotel directly at 503.226.7600. Please ask for the PSA CONVENTION RATE. You can also reserve online at [WWW.CSUS.EDU/PSA](http://WWW.CSUS.EDU/PSA) – click on 2005 MEETING and then on ONLINE HOTEL RESERVATION.

ALL RESERVATIONS MUST BE MADE BY MARCH 16, 2005 to guarantee the PSA rate. The hotel may still have rooms after this date, but the rate may be higher.

**HOTEL PARKING:** Hotel parking for registered guests will be at the prevailing rate; there are also several other nearby parking lots.

**AIRPORT TRANSPORTATION:** The following fare information is provided by the transportation providers and is subject to change without notice. Rates below are for 2003.

**AIRPORT MAX LIGHT-RAIL RED LINE:** If you do not have a lot of luggage, a quick, easy, and cheap way to get to downtown Portland is on light-rail. Catch the Max Red Line right outside the Portland airport to the right of the baggage claim area. Take the Red Line to the S Yamhill Street Stop. Walk south on SW 1st Ave. a short six blocks and you will arrive at the Marriott.

The Airport MAX light-rail Red Line service runs from Portland International Airport to downtown Portland every 15 minutes from 4:37 AM until 11:35 PM 365 days a year. A one-way trip takes 38 minutes and costs \$1.55. Tickets may be purchased at an automated ticket machine, conveniently located near the Airport MAX station.

**AIRPORT-DOWNTOWN SHUTTLE (GRAYLINE EXPRESS):** Scheduled shuttle bus service to most downtown hotels. Departs PDX every 45 minutes, 5 AM to midnight. Fare is \$15 one-way, \$22 round-trip per person. Discounts for seniors and children. Travel Time is approximately 20-45 minutes.

**TAXIS:** Five taxi companies serve PDX, available 24 hours per day, 7 days per week. Fare is \$22-\$28 one-way to downtown. Travel time is approximately 20-40 minutes.

**SHUTTLES:** Many shuttles operate from PDX to various areas around Portland. Available 24 hours per day, 7 days per week. Flat rate per person is not regulated and will vary; determine your rate before you start your trip. Some shuttles offer discounted rates for travelers to certain hotels, check with your hotel. Travel time is approximately 20-40 minutes to downtown. If you have reserved a vehicle, please check-in at the Information Booth located on the Ground Transportation roadway at PDX.

# The PSA Endowment Committee Announces 25 Travel Grant Awards for Students

With the approval of Council, the Endowment Committee will once again be making twenty-five \$100 travel grants available to help pay expenses for graduate and undergraduate students who are giving a presentation at this year's annual meeting in Portland.

The travel grant awards will be open only to undergraduate and graduate students who are not employed full-time in an academic or non-academic institution. Eligible students must also be listed as a presenter or co-presenter in a session in this Preliminary Program for Portland's meeting. Eligible students must also be members of the PSA in 2005 and must have paid pre-registration fees for the conference. Membership on a PSA committee does not by itself qualify.

## PROCEDURES FOR APPLICATION FOR A TRAVEL GRANT

Students who meet the eligibility requirements above, need to send via email their name and email address to the Chair of the Endowment Committee, Peter Collier at Portland State University (cfpc@pdx.edu). The deadline for submission is February 29, 2005. A random-numbers table will be used to assign a number to all eligible applicants. A random drawing will determine the 25 recipients of the travel awards. Recipients will receive an email confirming they have won an award no later than March 21, 2005. All recipients must pick up their \$100 travel grant at the PSA Registration Table in Portland. Identification will be required.

These are the recipients of travel grants to last April's Annual Meeting in San Francisco: Ellis Castillo, Brandon Chapman, Marco Antonio Chavez-Aguayo, Abilene Christensen, John Davidson, Faustina DuCros, Leslie Gay, Benjamin Gibbs, Kathryn Howe, Jenny Johnson, Kelsey Kretschmer, Pamela Leong, Youngmi Lim, Anne Lincoln, Richard Lockwood, Tricia Mein, Jadi Morrow, Danny Osborn, Liz Roberts, Liav Sade-Beck, Bonnie Selin, Rebecca Snyder, Barbara Sutton, Lora Vess and Berna Zengin-Arslan.

## The Increasing Cost for the Annual PSA Meeting: *Please pay the appropriate dues & registration fees*

Holding our annual meeting is becoming increasingly expensive. The PSA does not make income from registration fees. Registration fees are necessary to cover the cost of the annual meeting. AV rental, food costs, and meeting room rental are all going up in price. An overhead projector package rents for over \$100 per day with service charges; a VCR and monitor for over \$250 per day, and a projector for a Powerpoint presentation over \$300 per day. These rental costs are per day, whether the equipment is used for one hour or 10 hours.

The PSA attempts to reduce costs where possible by asking in advance for AV equipment that presenters need. If presenter X informs the PSA in advance of the conference that a VCR and Monitor will be

needed, the program chair will slot that presenter into a room where there will be a VCR and Monitor. However, if presenter X arrives at the annual meeting without informing the PSA office of the need for a VCR and monitor, it may well be that one will have to be rented on the spot, with an additional cost of over \$250 to the PSA. We also save money by having student volunteers at the registration table, thereby saving the cost of hiring staff from the local convention and visitor's bureau and by asking members to bring portable LCD projectors with them. We are a very efficient association, which is why membership dues have not gone up since 1981!

Please keep the above in mind and pay your appropriate membership dues and registration fees. It is very painful to find after the conference that some in attendance did not pay the cost of supporting the annual meeting.

# Join the PSA or renew your membership now.

MEMBERSHIP BENEFITS INCLUDE: a subscription to *Sociological Perspectives*, published by the University of California Press; a subscription to the PSA Newsletter, *The Pacific Sociologist*; participation in the 2005 Annual Meeting in Portland; opportunities to network with other sociologists.

# A Few Tips to Follow When Visiting Portland

Weather in April could be rain and more rain, but then again it could be sunny. Average April temperatures range from a 60.6 high to a 41.3 low.

Dress for comfort, bring walking shoes as Portland is a walker's paradise. The blocks are short and full of interesting shops, cafés and restaurants.

You can spend more since Oregon has no sales tax.

Be sure to visit Pioneer Courthouse Square, the city's public red-brick open plaza located in the center of downtown and only a few blocks from the Marriott Hotel (that is the Marriott hotel on the Willamette River where the PSA is meeting – not the Marriott Hotel in the city center).

Stroll along the Gov. Tom Mc Call Waterfront Park just outside the Marriott. This grassy strip follows the Willamette beneath three bridges. Be sure to visit the Japanese American Historical Plaza which honors Japanese Americans interned during WWII.

Make a point to visit Portland's Saturday Market (under the Burnside Bridge between SW First and Front Avenues), the shops and dim sum palaces of Chinatown, and the Classical Chinese Garden built by Chinese craftsmen.

Don't forget to look at and admire the extensive art in Portland. Start with the Portland Art Museum, just a few blocks walk from the Marriott. Public art is everywhere in the center of the city too.

Other possibilities for sightseeing include the Oregon Museum of Science and Industry, the lovely Japanese Garden in Washington Park and the Oregon Zoo.

Of course the downtown area is full of interesting dining and drinking possibilities, with several restaurants, breweries and brewpubs within walking distance of the hotel. Be sure to pick up the PSA restaurant guide at the registration table.

Getting around is easy by bus or MAX. Travelers in downtown can ride the buses or MAX for free anywhere in the 330-block "fareless square." Portland also has a streetcar running 4.8 miles from Portland State University into the Pearl District. It stops in front of the famed Powell's Books.

Happy meals – and happy trails – while in Portland!

# Suggestions for Giving a First-Rate Presentation

*NOTE: by Barbara Keating, Minnesota State University-Mankato and reprinted from the Newsletter of the Midwest Sociological Association. Slightly edited for the PSA. We continue to reprint this piece because it offers excellent advice for everyone on the program.*

If you were a discussant, how would you like to get the papers for review the night before the session? As an audience member, how do you like it when presenters read their papers word for word while droning on and on through fifty years of literature review?

I make the following suggestions to new and experienced presenters.

1. Get your completed paper to the discussant at least a month before the meetings. A good review can be tremendously helpful for revising the paper for publication. But it takes time and thought. Every year, however, some discussants do not get papers until they arrive at the meetings. The discussants are doing you a favor. Help them to help you by giving them the time they need.
2. After you have finished the formal written version of your paper, edit it for a presentation version. Remember, you will normally have only 12-15 minutes to give your paper if there are four other presenters. Discuss only what is important. For a traditional research paper, for example, focus on the findings. Introduce the topic succinctly, summarize the literature briefly, mention the methods in passing and spend most of your time discussing the findings and their implications.
3. Do not read your paper to the audience. Talk about it. The well-crafted written formal sentence may be a better visual than audio experience. Remember, your audience is listening, not reading.
4. Arrive at your session ten minutes early. The presider will brief you on organization, order, and time limits.
5. Adhere to time limits. Four to five paper presentations, discussant comments, and audience participation do not allow much flexibility in one session. Presiders may enforce appropriate social sanctions on presenters who monopolize time.
6. If you bring copies of your paper for distribution, you may reduce the weight by printing single space on both sides of each page. Many presenters must bring copies of the statistical tables or model figures, perhaps with an abstract.

GRADUATE & UNDERGRADUATE STUDENTS PLEASE NOTE!

# Endowment Committee Announces 25 Travel Grant Awards

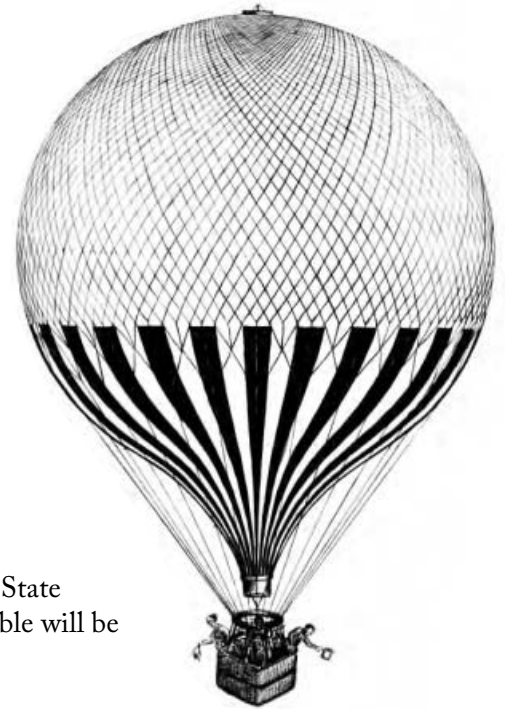

With the approval of Council, the Endowment Committee will once again be making 25 \$100 travel grants available to help pay expenses for graduate and undergraduate students who are giving a presentation at this year's annual meeting in Portland.

The travel grant awards will be open only to undergraduate and graduate students who are not employed full-time in an academic or non-academic institution. Eligible students must also be listed as a presenter or co-presenter in a session in this Preliminary Program for Portland's meeting. Eligible students must also be members of the PSA in 2005 and must have paid pre-registration fees for the conference. Membership on a PSA committee does not by itself qualify.

#### PROCEDURES FOR APPLICATION FOR A TRAVEL GRANT

Students who meet the eligibility requirements above, need to send via email their name and email address to the Chair of the Endowment Committee, Peter Collier at Portland State (cfpc@pdx.edu). The deadline for submission is February 29, 2005. A random-numbers table will be used to assign a number to all eligible applicants.

A random drawing will determine the 25 recipients of the travel awards. Recipients will receive an email confirming they have won an award no later than March 21, 2005. All recipients must pick up their \$100 travel grant at the PSA registration table in Portland. Identification will be required.
